

## Launch CRP 123 VS. CRP 129

Differences between **Launch CRP 123** (Launch Creader VII+) and **Launch CRP 129** (Creader VIII).

CRP129 is an upgraded version of CRP123. So can you upgrade the 123 to the 129? No, the hardware will not support it.

<b>Creader VII+</b>	<b>Creader VIII</b>
